

Brad's 12 Point Plan for Securing Washington's Election Integrity

1. Scrub ALL voter rolls. Re-verify all registered voters.
2. Photo ID Required. Official government issued identification required to register and to vote.
3. Ensure all registered voters are legal U.S. citizens.
4. Ban all electronic election (ballot counting) equipment.
5. Paper Ballots only: Marked by pen or pencil.
6. Mail-in balloting illegal.
7. Absentee balloting reserved only for:
 - ~ Oversees Military
 - ~ Disabled (notarized)
 - ~ Professionals (unable on election day: physicians, first responders, etc.)
8. Vote in Person, on Election day, No early/late voting.
9. More smaller precincts: Max. 1,000 registered voters per precinct.
10. Ballot harvesting illegal: punishable by law.
11. Strong penalties for violators of election laws.
12. All ballots hand counted: with observers from the 2 largest parties encouraged to observe and ensure accuracy.

“I absolutely, positively OPPOSE ranked choice voting!”
